

We have created exquisite house cocktails, showcase international Raki and liquors, as well as hand select Wine and Beer for all its uniqueness and flavors to satisfy each individual customer taste profile.

Wines are sourced from producers that subscribe to the philosophy of sustainable, responsible farming in their vineyards. Dedicated distributors present us with grape varieties from the new and old worlds.

Our beer selection highlights craft and artisanal brews from the Mediterranean, local Washington DC area breweries, and other countries that provide a complement to our cuisine.

Although we make every effort to keep our beverage program current, vintages are subject to change, and availability in certain selections may be limited.

On behalf of the Agora Family, Şerefe!

OUZO|RAKI|ARAK

Raki* [Rah-Key] – The national drink in Turkey and Greece; this exquisite elixir is made of twice-distilled grapes and Aniseed making it a beautiful complement to Agora’s mezze dining experience.

Other stage names for Raki.....

Ouzo (*Greek*)/ Arak (*Arabic*)

How do you drink it?!

It is traditionally served in a slender glass with chilled water and topped with ice.
You can also drink it straight, if you’re up for it!

Why does it turn white?!

When in contact with water, the anise oil gives the Raki a milky white appearance hence the nickname: Lion’s Milk of Turkey. Some Ouzo’s can have blue highlights as well.

Cheers! Şerefe! Yamas! Keskun!
